Blue Heron Pointe Homeowners Association Website

We have completely updated our website for both our homeowners and the general public.

- An easier way to get information to homeowners
 - Increase the “sociability” factor of our site
 - Allows for improved classifieds to offset the costs of the site and to inform residents about companies who have done business with our residents and are knowledgeable about BHP
-
- The site is easy to use and has a lot of valuable information
 - We have about 150 visitors to the site each day!
 - We have 240 subscribers to the site as well!
